

2018 WEBINAR SERIES

Global Workplace Wellness through the CEO Cancer Gold Standard Frame: Focus on China

Join this webinar for an overview of a unique global approach to wellness in the workplace. Grounded in a focus on the prevention, early detection and treatment of cancer, this approach provides an evidence-based wellness platform for corporations with a presence in the United States, China and globally.

CEO ROUNDTABLE
ON CANCER

The Q & A component will focus on the challenges associated with adapting the Gold Standard requirements to a global workforce with particular emphasis on China.

Thursday, June 14, 2018
